

## EMPLOYMENT | UK Coronavirus Update: Seven Points about the Third Direction

On Friday 26 June 2020 the UK Government published the Third Direction, which is the legislative update for the Coronavirus Job Retention Scheme. In particular, it implements the flexible working arrangements which are permitted from 1 July 2020 under the Furlough Scheme.

We have now reviewed this Direction in full and provide a summary of the key points for employers, [available from MayerBrown.com](#).
